

At Shivam College of Education, our administrative philosophy is firmly aligned with emphasize quality education, accountability, transparency, and institutional development.

The administration of our college functions as the backbone of academic excellence- ensuring that every policy, decision, and initiative supports our mission of preparing competent, ethical, and reflective educators.

1. Vision & Commitment

At Shivam College of Education Our administration is committed to nurturing Competent, Compassionate, and Creative teachers through our B.Ed. and D.El.Ed. programs. We strive for academic excellence with moral integrity and professional dedication.

2. Academic Governance

The administration ensures the smooth conduct of both B.Ed. and D.El.Ed. programs in alignment with NCTE, SKM University, and JAC guidelines. Regular monitoring, quality assurance, and transparent academic practices remain our top priorities.

3. Faculty and Student Development

Our college administration encourages continuous professional development for faculty and holistic growth for students mentorship, workshops, and innovative teaching- learning activities from the backbone of our academic environment.

4. Quality Assurance & Compliance

As Principal, I ensure strict adherence to all regulatory standards prescribed by NCTE. The administration regularly reviews academic performance, infrastructure, and student outcomes to maintain institutional excellence.

- ❖ Implementing good governance practices through participatory decision- making and decentralization of authority.
- ❖ Promoting quality assurance mechanisms such as internal audits, IQAC functioning, feedback systems, and regular academic reviews.
- ❖ Maintaining transparency and accountability in financial management, recruitment, and students welfare activities.
- ❖ Ensuring inclusivity and equity, fostering an environment free from discrimination and conducive to holistic learning.
